Objective

I am looking for an opportunity to begin my career in the IT industry where I can apply my knowledge of Java, Data Structures & Algorithms and web technologies.

Education

Nandha Enginnering College,Erode.	B.E (ECE)	CGPA: 8.3(till 5 th sem)	(2023 – 2027)
Sankar Higher Secondary School,Namakkal.	HSC(12th)	Percentage 79.3%	(2022-2023)
PSG Matriculation Higher Secondary School, Salem.	SSLC(10 th)	All Pass	(2020-2021)

Technical Skills

Programming: Java, C (Basics)

Tools: Visual Studio Code(VS Code),Eclipse IDE, Netbeans.

Projects

Automatic Peacock Deterrent System Using ESP32-CAM

Built an AI-based peacock deterrent system using ESP32-CAM and Edge Impulse for real-time detection. Integrated an automated water pump to protect crops from bird intrusion.

Rotating Display Stand for Showcase

Developed a rotating display stand using Arduino Uno and a stepper motor for 360° product rotation.Designed the system to enhance product visibility for exhibitions and retail displays.

Automatic Railway Gate Control System

Designed an automated railway gate control system using Arduino Uno and IR sensors. Controlled a servo motor to operate the gate automatically, enhancing railway crossing safety.

Internship Experience

Embuzz Technologies (16 June 2025 – 30 June 2025)

- Learned the fundamentals of embedded systems and AVR microcontrollers.
- Gained hands-on experience in Arduino Uno programming and sensor interfacing.
- Developed mini projects using LEDs, buzzers, and various sensors.

Caliber Embedded Technologies (23 December 2025 – 05 January 2026)

- Worked on IoT-based sensor monitoring systems using Bluetooth HC-05 and multiple sensors.
- Integrated hardware components and analyzed real-time sensor data for embedded applications.

Certifications

NPTEL:

- Introduction to IOT - (Elite + Silver)
- Cloud Computing - (Elite)
- Ethical Hacking - (Elite)

One-Credit Courses:

- Embedded Computer Vision using TensorFlow Lite
 - Raspberry Pi for Industrial Applications
 - PCB Design
-

Co-Curricular Activities

- Participated in **Code War** at Park College of Engineering and Technology.
 - Presented a project at the **Project Expo** conducted by Karpagam College of Engineering.
 - Participated in a **Technical Event** at Vidhya Vikas College of Engineering and Technology.
-

Declaration

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
